

LomaMum by THUASNE

LOMBAMUM® Maternity Belts offer relief from lower back pain, sacro-iliac pain, pelvic pain, accentuated skin sensitivity, and tightness.

The **LOMBAMUM®** Maternity Belt offers support and comfort without impeding circulation or your baby's mobility.

Designed and manufactured by Thuasne in France, the inventor of the medical lumbar belt, **LombamMum®** is a unique, posture-correcting belt which is incredibly soft and comfortable, and completely adjustable to wear full-term.

- Relief from lower back pain
- Support and comfort during pregnancy
- fully adjustable and designed to wear to full term.

Pregnancy is a most exciting time, but can put extreme pressure on the lower back, causing pain, strain and discomfort for many women. Don't suffer or risk injury; discover the benefits of the **LombaMum®** posture correcting maternity belt and alleviate stress on your back, improve your posture and feel better.
